- DRIVING ROUTES**
- Explore 5 routes through the curves and rolling hills of the Haliburton Highlands.
- ALGONQUIN LOOP TOUR (ORANGE ROUTE)**
Approx. 3 1/2 hours - 272 km
This big, striking tour is sure to catch your attention. From the wildlife, scenic rock cuts and shorelines, be sure to bring your camera and capture the beauty of nature. With many points of interest along the way for a photo op and a chance to stretch your legs on a hike.
- HALIBURTON GOLD LOOP (GREEN ROUTE)**
Approx. 2 hours - 128 km
Haliburton Highlands is known for its gold, but not the kind of gold you would normally be thinking of. Stop by the Haliburton Fish Hatchery to discover "Haliburton Gold" for yourself.
- THE WOLF RUN (PINK ROUTE)**
Approx. 2 hours - 128 km
The Forest special extension route is a great add on to any of the other loop attached. The drive alone is quite an experience of bends, inclines and foliage colours sharply following waterways up to the destination. Featuring The Wolf Centre, hiking trails and much, much more.
- RAIL TRAIL TOUR (GREY ROUTE)**
Approx. 1 hour, 45 minutes - 20 km
This well-paved route is full of twists and also piggybacks on two old rail lines throughout the County.
- SHORELINES TO HILLTOP RIDE (YELLOW ROUTE)**
Approx. 1 hour, 15 minutes - 85 km
Be sure to bring your camera on this ride, as it provides many breathtaking scenic views. These roads are more on the rugged side, much like the terrain... a true beauty at the peak of the hills overlooking Eagle Lake.
