using a GPS (or GPS enabled smartphone).

Getting Started is **free & easy**

The adventure leads players, called geocachers, on enjoyable hikes to scenic locations, historical sites and points of interest to find treasures called geocaches.

A typical geocache is a hidden, waterproof container holding a logbook and trinkets for trading.

The Geocaching Capital of Canada offers a variety of fun and unique geocaches.

This family friendly game appeals to all ages and is played by millions of people, worldwide.

Conveniently, you can geocache whenever and wherever you want and the caches vary by accessibility, type and theme so you can even customize your experience.

Getting started is easy and free. Go to [www.geocaching.com](http://www.geocaching.com) to learn how to play, then come explore the Geocaching Capital of Canada!
