Teeny Tiny Summits were initiated in 2016 by the Ontario Ministry of Agriculture, Food and Rural Affairs, as a forum for community economic development strategies for Ontario's smallest communities.

In 2017, the Rural Ontario Municipal Association (ROMA) committed to multi-year support of Teeny Tiny Summits.

- **Economic development that works for small places**
- **Hear about examples, relevant tools and success stories**
- **Explore key issues in Teeny Tiny Places**
- **Virtually connect and share ideas**
