The good news is that just northeast of Toronto, in the heart of cottage country, we are welcoming family physicians to join our collegial team.

We are a group of 9 supportive physicians practicing family medicine in the beautiful Haliburton Highlands at the Haliburton Family Medical Centre. We are also affiliated and work collaboratively with the Haliburton Highlands Family Health Team. We are seeking 4 additional family physicians to join our team.

We currently have a roster of 10,080 patients. We have a waiting list of over 1,400 patients so you can be as busy as you'd like to be.
